

## Student Activities & Recreation

At AIMST, we encourage students not only to excel academically but also to participate in extra-curricular activities, including participation in student clubs and societies as well as sports. Students may also register new organizations by contacting the Student Affairs Division.

### The sports and recreational facilities available include:

- Badminton court
- Gymnasium
- Running track
- Olympic-sized swimming pool
- Basketball/netball court
- Volleyball court
- Six-a-side hockey field
- Five-a-side football field
- Aerobics/yoga room
- 400-metre track
- Tennis/squash room
- Mosque & Prayer rooms

In addition, there is a purpose-built Student's Activities Room as well as a comfortable Student's Study Area.

## Healthcare

The AIMST on-campus Student Healthcare Clinic is open to provide routine medical care for students and staff alike.

## Student Affairs & Accommodation

The Student Affairs Division is responsible for catering to the needs and welfare of students and covers all aspects related to student development. The Student Affairs Officers will assist in making arrangements for hostel facilities for out-of-town and overseas students. In addition, it oversees development and management of student activities via societies and clubs and through events such as sports, cultural and debating activities.

## Food

AIMST cafeteria caters for staff and students. Our cafeteria serves both vegetarian and non-vegetarian (halal) food. We have a wide selection of dishes on the menu, which includes delectable local and western cuisine.

## International Office

Our International Office provides several services for overseas students, some of which are:

- Visa/Student pass application
- Arranging for student permits
- Establishing contact with embassies
- Organizing approvals from relevant authorities
- Counseling
- Advice on financial aid resources

## Admission

### Malaysia

- 1-passport size photograph
- Certified true copy of Identification card
- Certified true copy of all academic examination certificates (e.g SPM/STPM/A-LEVEL)
- Processing fee: RM 100\* (non-refundable) payable to "AIMST SDN. BHD. REV ACCOUNT"

### International

- 8-passport size photographs
- Certified true copy of passport
- Certified true copy of all academic examination certificates
- Processing fee: USD 150\* (non-refundable) payable to "AIMST SDN. BHD. REV ACCOUNT"

# AIMST UNIVERSITY

Educating Tomorrow's Leaders

[www.aimst.edu.my](http://www.aimst.edu.my)

## The University

AIMST has the distinction of being the first private university to be established in Kedah Darul Aman, and is a prestigious S&T tertiary institution that has strong research links with overseas universities.

AIMST fully subscribes to the tenets of the K-economy asserting that knowledge is the key contributor to economic growth and wealth creation as well as the basis of comparative advantage in the dawning era of globalization. Towards this end, the university will spare no efforts in attracting top quality tenured and associate staff both locally and overseas from time to time to conduct and develop its teaching and research programmes.

## Dentistry Programme at AIMST

The 5-year Bachelor of Dental Surgery programme is a professional course to educate and train students to become dental surgeons and it was the second health science programme to be introduced at AIMST University.

The course uses a modern approach to dental education, based on the best educational practices in dental schools in Malaysia and overseas.

A highly professional faculty with a strong research base, fully conversant with the needs of students to be a professional workforce has been hand-picked to deliver the Bachelor of Dental Surgery programme.

Basic biomedical sciences within the programme will be taught in The School of Medicine. Clinical teaching will take place in the School of Dentistry and Dental Hospital. The hospital has state-of-the-art equipment for patient care and laboratory teaching.

## Dentistry as a Career

Dentistry is a challenging and rewarding career, dedicated to the diagnosis, treatment and prevention of oral and dental disease. Dentists contribute to society by caring for individual patients and by promoting oral health in the community.

Dentists enjoy the daily challenge of working with people, using their scientific knowledge, modern techniques and advanced equipment to solve the clinical problems of their patients. Most dentists have regular working hours in a comfortable environment and receive a good stable income.

Dentists often work closely with their medical colleagues to provide the best care for patients with medical problems.

## What Makes a Good Dentist?

Dental students need to have good interpersonal skills and a genuine interest in helping people. An ideal dentist is:

- Understanding, caring, conscientious, sympathetic to people's needs.
- Able to think critically, inquire and process information in a logical manner.
- Able to communicate well with patients and society in general.
- Willing to serve the diverse groups of people within the community.
- Able to work alongside others in a team.

## Career Opportunities

The various career paths open to graduates:

- General Dental Practice
- Ministry of Health Dental Service
- Hospital Dentistry
- Specialist Practice
- University Teaching and Research
- Dentistry in the Armed Forces

Graduates may also apply to other universities in Malaysia or overseas to enter postgraduate degree programmes for advanced training in a particular clinical discipline.

AIMST graduates practicing in Malaysia are required to register with the Malaysian Dental Council and must undertake three years of compulsory service with the Ministry of Health.

## Student Services & Activities

AIMST pledges to provide the best range of services and facilities to meet the needs of its students. We have a range of specialized services ready to assist and support them during their time at AIMST. Our Student Affairs Officers assist students in accommodation arrangements, transportation and even help organize extra-curricular activities for them.

The University offers full-fledged degree programmes in areas of Medicine, Dental Surgery, Pharmacy, Biotechnology, Engineering, Business and Marketing, Management Information Systems, Diploma in Nursing, Physiotherapy and Engineering, along with Foundation courses in Science and Business. The 230 acres ultra-modern University boasts of enviable start-up facilities for its various courses and excellent student amenities, including accommodation, counseling services, a Student Health Clinic, gymnasium and other sporting and recreational facilities.

### A-Levels/STPM

Grades BBB, ABC or AAC in 3 subjects i.e. Biology, Chemistry and Physics or Mathematics

### Matriculation/Foundation in Science/Pre-Medical courses\*\*

(courses ≥ 1 year in the same institution)

CGPA 3.0 (out of 4) in 3 subjects i.e. Biology, Chemistry Physics or Mathematics.

### UEC

B4 each in 5 subjects i.e. Biology, Chemistry, Physics, Mathematics and Additional Mathematics

### UNSW Foundation/MUFY/Western Australia Curriculum Council/

HSC Sydney Australia/Trinity College Foundation Studies/Australian

Universities Foundation Programmes/South Australian Matriculation

(SAM)/Victorian Certificate of Education, Australia Year 12

Aggregate or average of 80% in any 3 subjects i.e. Biology, Chemistry Physics or Mathematics or 80% ATAR

### National Certificate of Educational Achievement (NCEA) Level 3 /

New Zealand Bursary

Average of 80% in any 3 subjects i.e. Biology, Chemistry Physics or Mathematics.

### CPUC/IMP/Canadian Grade 12/13

Average of 80% in any 3 subjects i.e. Biology, Chemistry Physics or Mathematics.

### Indian Pre-University

Average of 70% in any 3 subjects i.e. Biology, Chemistry Physics or Mathematics.

### International Baccalaureate (IB)

30 points with a minimum of 2 science subjects or Mathematics at Higher Level (HL) and 1 science subject at Standard Level and attained a minimum score of 4 each in Biology, Chemistry and Physics or Mathematics.

### Diploma in Health Sciences\*\*

(courses ≥ 2 ½ years or 5 semesters in the same institution)

CGPA 3.5 (out of 4.0)

### Degree in Medical Sciences

CGPA 3.3 (out of 4) 5-year graduate medical programme

### Degree in the Arts or Humanities

CGPA 3.5 (out of 4) 5-year undergraduate medical programme and 3Cs each in Biology, Chemistry, Physics, General Science, Mathematics or Additional Mathematics at SPM or its equivalent or an accredited bridging course

**\*\*SPM:** At least grade B4 or B in the following subjects – Maths (OR Additional Maths), Chemistry, Physics, Biology and in another subject.

**Interview:** All eligible applicants are required to attend an interview (to be conducted by AIMST University)

## Financial Aid

The University assists in obtaining financial aid for students through a number of agencies. All degree students are eligible to apply for the PTPPTN loan. In addition, AIMST students are also eligible for the AIMST arranged bank loans.

*\*Terms & Conditions apply*

## Curriculum

### Clinical Courses

- The Dental Profession
- Common Oral Health Problems
- Basic Dental Techniques
- Applied Dental Materials
- Communication skills
- Social and Behavioural Sciences
- Pain Control and Sedation
- Conservative Dentistry
- Prosthetics
- Orthodontics
- Basic Orthodontic Techniques
- Introduction to Clinical Dentistry
- Periodontology
- Paediatric Dentistry
- Oral Surgery
- Dental Radiology
- Advanced Dental Techniques
- Comprehensive Care

### Supporting Course

- Anatomy
- Biochemistry
- Oral Anatomy
- Physiology
- Oral Biochemistry
- Basic Biomaterials Science
- Microbiology
- Oral Microanatomy
- Pathology
- Pharmacology
- Medicine
- Oral Medicine
- Promotion of Dental Health
- ICT in Dentistry
- Surgery
- Oral Pathology
- Law and Ethics
- Student Research Project
- Community Oral Health
- Dentistry for Special Needs
- Dentistry for the Elderly
- Orofacial Disease
- Transcultural Dentistry
- Dental Practice Management
- Advances in Dentistry
